

Flight and Operational Medicine Clinic

55th Aerospace Medical Support Squadron
2501 Capehart Rd. Offutt AFB, NE 68123
Tel: (402) 232-2273, ext. 333

We are now located in the Ehrling Bergquist Clinic on the ground floor across from the Clinic Exchange.
The FOMC Clinic is closed every Wednesday 0730 – 1200 and the third Thursday each month until 1300 for training.

Patients are seen by appointment only, we do not have Sick Call.

Our “Return-to-Fly” Walk-in Clinic is for patients in DNIF status on record by the clinic- ready to Return-to-Fly, with no other symptoms or complaints. RTF Walk-in Mon, Tues, Thurs, Fri 0730-0830 or Mon-Fri 1300-1400.

Patients scheduled for a PHA appointment in Flight Medicine **must** report 30 minutes before their scheduled appointment time. PHAs will not be completed more than 30 days prior to the 12 month anniversary date.

Annual PHA/Physical Requirements:

| Questions? Contact the Flight & Operational Medicine Clinic at DSN: 232-2273 (CARE) ext. 333 or email 55AMDS.SGPF.PHA@us.af.mil | |

ROBD (reduced oxygen breathing device) test that was originally the Altitude Chamber is conducted by the Aerospace Physiology Flight at (402)294-4400.

Civil Service and Non-appropriated fund (NAF) applicants—if required to complete pre-employment physicals, these are performed in Flight Medicine, but scheduled through Occupational Health at 402-294-8080.

Firefighter physicals – contact Occupational Health at 232-6438 for scheduling assistance. FAA physicals are NOT completed here. They must be examined by an FAA-designated Aviation Medical Examiner. Please go to www.faa.gov, click on ‘Licenses & Certificates’ then ‘Medical Certification’ for link to local Aviation Medical Examiners in the Omaha/Council Bluffs area.
